

**PAW PAW LAKE AREA WASTEWATER PLANT
COLOMA, MICHIGAN
WEST CLARIFIER IMPROVEMENTS**

ADVERTISEMENT FOR BIDS

Sealed Bids for 2025 West Clarifier Improvements project will be received by the Paw Paw Lake Area Joint Board, at the Wastewater Treatment Plant, at 4689 Defield Rd, Coloma, MI until 2:00 pm, local time, on June 26, 2025, at which time they will be publicly opened and read.

The West Primary Clarifier Improvements Bid Work shall generally consist of the following:

Removal of the existing west primary clarifier mechanism. Installation of a new west primary clarifier mechanism inside the existing western primary clarifier at the WWTP. Lining of the western primary clarifier. Lining of the western flow channel used to bring flow to the west primary clarifier. Lining of the flow balancing manholes located downstream of both primary clarifiers. Various piping and valve improvements inside of the flow balancing manholes. Various electrical improvements to accommodate the new mechanism and valves.

The issuing office is Jones & Henry Engineers, Ltd. 4791 Campus Drive, Kalamazoo, MI 49008, 269-353-9650.

Technical questions regarding the project should be e-mailed to the Project Engineer Ethan Fisher, EFisher@jheng.com at Jones & Henry Engineers, Ltd.

Copies of Bidding Documents and Contract Documents may be obtained electronically from www.jhplanroom.com. There is no charge to download from the digital print-room, however, registration is required. If hard copies of the bidding documents are needed, they can be ordered from the print-room for a fee. If you have any problems using the digital print-room, you are encouraged to contact either the Engineer's Project Manager, or Eastern Engineering at 419-661-9841.

A pre-bid conference will be held at 10:00 am local time on June 17th (Addendum 001, Issued: 06-09-2025) at the Paw Paw Lake Area WWTP. Attendance at the pre-bid conference is highly encouraged but is not mandatory.

Neither Owner nor Engineer has any responsibility for the accuracy, completeness or sufficiency of any bid documents obtained from any source other than the source indicated in these documents. Obtaining these documents from any other source(s) may result in obtaining incomplete and inaccurate information. Obtaining these documents from any source other than directly from the source listed herein may also result in failure to receive any addenda, corrections, or other revisions to these documents that may be issued.

Bids must be submitted on the forms bound herein, must contain the names of every person or company interested therein, and shall be accompanied by a Bid Bond in the amount of 5% of the amount bid with satisfactory corporate surety, subject to conditions provided in the Instructions to Bidders. The successful bidder will be required to furnish satisfactory Performance Bond and Maintenance and Guarantee Bond in the amount of 100% of the Bid, and Labor and Material Bond in the amount of 50% of the Bid.

Issued for Bid
Paw Paw Lake Area WWTP
West Primary Clarifier Improvements

Any Bid may be withdrawn prior to the scheduled closing time for receipt of Bids, but no bidder shall withdraw his Bid within 60 days after the actual opening thereof.

The Owner reserves the right to reject any or all Bids, waive irregularities in any Bid, and to accept any Bid which is deemed most favorable to the Owner. The project is being funded, in part, through the issuance of municipal bonds and award of a contract to the selected bidder is contingent upon the successful sale of such bonds.
